Fix8

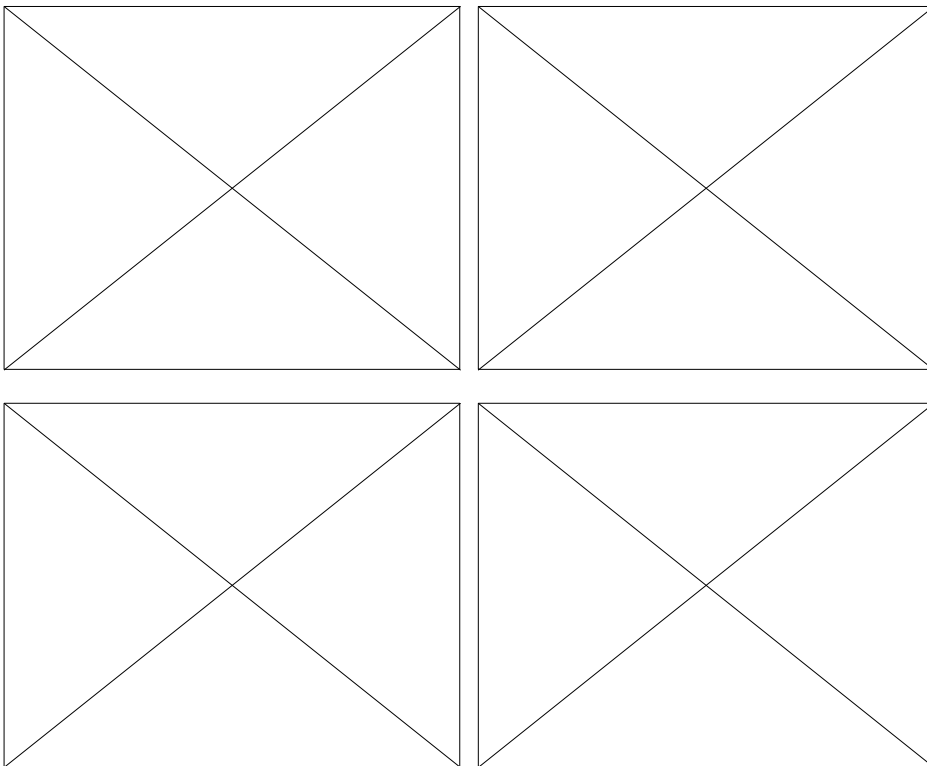

Welcome to Fix8 page at Camfess.com

We are excited to be partnering with Fix8, to provide new and exciting ways to create video effects. You can use Fix8 technology to make your anonymous videos recording experience a lot more interesting. You can even create an animation with your masks. The software is free and all you need is to sign up by clicking **here**. We hope you have fun with Fix8.

Requirement:

1. Windows XP (Service Pack 2)
*** Windows Vista and ATI Graphic cards may encounter video recording issues ***
2. 512 MB or more of RAM
3. Internet Explorer 6.0 or higher
4. DirectX 9 or higher with supported video card
5. USB webcam

Some examples of Fix8 effects are shown below.
